

The Lord's Unchanging Gospel, vs Christianity's Constantly Evolving Mis-truths

The Book of Haggai prophesied that Almighty God would “shake the nations” back to repentance for a last chance to believe His divine gospel of Salvation before the End of Days. (Hag. 2:7; **Mark 16:15,16**) This explosive, yet factual book called “**EMMANUEL**”, *The Mystery that is Jesus Christ, (The Promised Messiah)* fulfills all Messianic Prophecies. Jesus, the Apostles and first disciples were, of course, Jews! As God's New Testament Covenant, the Heavenly Father's entire Gospel is recanted like never before to the Jewish people (Judah), Spiritual Israel and the world. (Jer. 31:31; Heb. 8:8) Fully exposed is the great deception of the false gospel of traditional Christianity (Rev. 12:9), which is blindly orchestrated by the “Synagogue of Satan” [a false Christian church], masquerading as teaching the Lord's Gospel. (**Matt. 24:4,5**; 2 Cor. 4:4; Rev. 3:9) For biblical clarity, this book begins with a 24 chapter Old Testament compendium, which reveals the Lord Jesus' divine face as the Almighty God's first light of Creation. (Gen. 1:1-3) Experience the Lord Jesus' presence as He barbers with the patriarch Abraham, and wrestles with Jacob, whose name was changed to Israel, at Peniel. A non-denominational read, exposed is the myth behind 4th century Christ-mass' blind supplanting of [Satan] Baal's December 25th celebration, Baal's wife festival Easter, and the Rapture begun by John Nelson Darby in the 1830's. (Deut. 12:31,32; **Luke. 17:22-37**) This ten-part chronology is based on the Gospel's three Gnostic King James narratives of Matthew, Mark, Luke and the Divinity story of John, and will allow the reader to easily skip from place to place. The original Gospel message is quite different from today's deceived lukewarm pulpit, blinded to knowledge of God's Gospel. (2 Tim. 4:3,4) The Lord's entire gospel has been carefully recanted from “His” perspective based on scripture, which only Simon-Peter the “Key-holder” was allowed to change. (**Matt. 16:17-19**) Likewise, the epistles of Paul can support, but never override the Lord's gospel. Jesus Christ alone is the “*Light of the World.*” The Lord's gospel is put into simple English translation, and to avoid structural cynicism, each chapter is accompanied by the original biblical scriptures, as the prophesied Gospel is fulfilled by over 500 Old and New Testament referenced footnotes. The Lord Jesus challenges all those who believe on Him, “If you continue in My word [the Gospel], then are you My disciples indeed. And you shall know the truth, and the truth shall make you free.” (**John 8:31,32**) Come and walk in the Lord Jesus' footsteps, and reclaim a narrative seldom preached by today's lukewarm pulpit.
