Enjoy the Complete Gospel Story of Jesus of Nazareth, The Christ

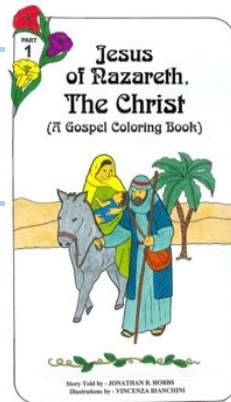

The Jesus' Little Flock website is dedicated to spreading the “**Good News**” gospel worldwide. Our mission is to follow Peter the “Key-holder’s” mandate from the Lord Jesus to first teach children, then young adults and adults with His gospel (**John 21:15-17**). Four books will help those of all ages and faiths to share in the Lord’s actual teachings and the mighty miracles He performed. Salvation only comes by believing the gospel. (**Mark 16:15-16**)

Each book combines the three Gnostic gospel narratives of Matthew, Mark and Luke along with the Divinity narrative of John into a single account. The gospel story is presented from the Lord’s perspective, void of common myths like Christmas, Easter and the Rapture. Jesus Christ alone is the “Light of the World. (**John 8:12**), and the Hebrew name “Yeshua” is the only translation of the name Jesus. Understand, the epistles of Paul can support, but never override the Lord’s gospel. Come and walk in the Lord Jesus’ footsteps!

"EMMANUEL" The Mystery that is Jesus Christ ("Yeshua"), The Promised Messiah (Seeking a Publisher)

EMMANUEL begins with a 24 chapter Old Testament compendium. It opens with Jesus Christ's natural form as the first light of Creation and continues as He barbers with Abraham for the souls of Sodom and wrestles with Jacob at Peniel. Its an extremely advanced gospel read, which excludes traditional Christianity. This eye opening ten-part chronological narrative of the four gospels of the King James Bible unlocks the unconquerable "Strait-Gate" message from the Lord's perspective as told in the gospel. Seventeen Illustrations and maps aid this literary achievement for today's turbulent world (Luke 17:22-37), which needs to seek the true Jesus Christ. Over 450 Old and New Testament footnotes, and some 100 "Reflections" serve to enhance and link the Old Testament prophecies to the gospel story like never before. On the horizon

The 4th & 5th spin-offs consist of a Youth Ministry's "First Steps" with a simplified coloring book of the complete gospel and "The Great Commission" (Sowing the Good News). This fifth book combines the three previous books and an early Youth Ministry coloring book. The perfect gospel training tool, each chapter can be a stand alone sermon. Vital for these turbulent times of the **End of Days**, its purpose is to take away the complacency of spreading the Lord's "**Great Commission**," the true gospel, worldwide (Matthew 28:18-20; Mark 16: 15-16). Will be available in 2012.
